**Sun enters Scorpio and creates a Grand Trine with Uranus and Mars. Whoops! Don't**

*be surprised if your wildest and woolliest actions catapult you to the top of the heap. Uhhh, just one question: Which heap??*

**ARIES (MARCH 21 - APRIL 20)** Your carefully guarded box of secrets will not only open and filter through the universe, you will find that it entices a certain someone to make their move. Prepare yourself and your surroundings for a big homecoming. Hmm, not a bad week!

**TAURUS (APRIL 21 - MAY 21)** Large groups of important people are eating out of the palm of your hand. Bring moisturizer and a clear agenda. Set foundations for future discussions, especially with those who are difficult to reach or just plain difficult. Pile it on, you charmer you!

**GEMINI (MAY 22 - JUNE 21)** Pink Twins are advised to keep their noses to the grindstone and let a few well placed folks know how hard you are working. Recognition is practically guaranteed and the rewards will be unimaginable. Okay, imagine away!

**CANCER (JUNE 22 - JULY 23)** The urge to go overboard can be too tempting to resist. Resist the urge and stick to conservative enthusiasms. You don't want to squander your chances to make a good

impression. Control your headlines before you are shifted to the gossip column.

**LEO (JULY 24 - AUG. 23)** Proud Lions prowl their lair in search of excitement. Not only will you get surprises, you may become lovestruck. Rev up the passion with your lover. If you are on the bench, formulate a game plan and huddle with a few wide receivers.

**VIRGO (AUG. 24 - SEPT. 23)** Queer Virgins deliver pearls of wisdom to pals and partners. Use this brief sociable surge to establish a concord. Too, too soon you can fall back into your all-too-usual habit of grabbing first and asking later. Of course, some folks prefer it that way...

**LIBRA (SEPT. 24 - OCT. 23)** Orchestrate a monetary symphony. Proud Libras become titans of industry as all hard work pays off big, big, big. Don't be shy and retiring; this is a rare opportunity to show the bosses what you can do. Ahem... so how many encores do you need?

**SCORPIO (OCT. 24 - NOV. 22)** Gay Scorps are squatting in the epicenter of activity and can stand or tip over as they choose. It would be a shame to strut and fret your time on the stage and then be heard no more. Plan for future performances.

**SAGITTARIUS (NOV. 23 - DEC. 22)** The solar grand trine helps to settle any outstanding personal, spiritual or family debt once and for all and enables you to take your life to an entirely new level.

Don't compromise on vitally important things. Others will have to adjust, at least a little bit.

**CAPRICORN (DEC. 23 - JAN. 20)** Not only can friendships blossom, potential partnerships can be formed or existing ones strengthened. Carefully make your communication misses a direct hit. Can you harness this stampede of love? Ride 'em, cowboy!

**AQUARIUS (JAN. 21 - FEB. 19)** Aqueerians must use this advantageous time to build on their past professional successes and get a leg up on the corporate ladder. Find ways of rewarding the worker ants in your midst. Don't accept crumbs; go for the big bucks... and big buckeroos!!

**PISCES (FEB. 20 - MARCH 20)** Expand and enrich your horizons, Guppie; it's a time for experimentation, speculation and squeezing those artistic juices. But know when enough is enough; those who exceed their limits will be tossed out of respectable places with the rest of the trash.

**H**appy Halloween!  
Please frequent

any one of the advertising establishments and remember--treat your tricks as you would have them treat you.

Hello to one Mr. Jim Flint at 3160. We sat at the bar and discussed beauty, a topic about which he knows plenty. More than Donald Trump and that's for damn sure! Did you hear what he said about honorary lesbian Angelina Jolie? But I digress. Got a fantastic shot of Gio during the POP Goes the Gio show. His groupies were wearing me the fuck out so I had to split. Just because I have a camera don't mean I'm your Kunta Kinte slave. Oh lawdy, pick a bale o' cotton.

Another hello to Luke, the delectable Aussie bartender at Berlin. I forgot exactly what we talked about for ten minutes, but I'd love another 10.

Happy 25th anniversary to Hunters. Pubert and I drove on down. We spent longer looking for parking than we did in the bar, for Christ's sake! Busy, busy, busy. Well you should know. Everyone in existence (including you, no doubt) was there. Thumbs up to Mark, Patrick and the whole homosexual crew down in scenic Elk Grove Village (or, as they call it in my perverse fantasy, the EGV).

Speaking of perverse fantasies, I had quite a terrifying nightmare last night about Count Chocula. I'll never be able to eat a balanced breakfast again.

You know when a bar is attached to a restaurant, the catering is gonna kick ass. Such was amply true at Mary's Attic/Hamburger Mary's first anniversary shindig. My mamma didn't raise no dummy; I went directly to the buffet and I was wearin' my eatin' dress. Who could possibly imagine that one could FRY macaroni and

cheese? Yes, Virginia, there is a Santa Claus, and he's deep-fried and smothered in cheese. See the Spread for pix of the bartenders whippin' it out. Speaking of buffet...

Ever have that dream that you're sitting at a bar and watching fist-fighting porn and all of a sudden the bartender appears in said porn and proceeds to double-fist some dude? Oh, it's no dream, it's Jackhammer and their new bartender John. I was so impressed I had to shake his hand (all together now--EWWWWW!)

Welcome The Windy City Empire's Emperor IV David James and Empress IV Pia Mess. The coronation at the Chicago Cultural Center was exquisitely done.

And thanks to Monique Marquette for expressing herself this week on page 26. Hopefully her courage will get folks to open their ears and shut their mouths.

# PRETZEL LOGIC

*pretzel logic*  by david j. maszdzierz

It's Halloween time once again, which means that all over the city gay guys will be dressing up in outlandish attire, acting bizarre, taking treats from strangers... in other words, they'll be acting pretty much as they do the rest of the year. But regardless of that, here's a Pretzel Logic look at movie monsters and monster movies.

### IF DRACULA WERE GAY AND LIVING IN CHICAGO...

He'd work at The Howard Brown Health Center as an LPN taking blood samples from patients, and hang out at the forest preserves (he's into a lot of sucking).

### IF THE PHANTOM OF THE OPERA WERE GAY AND LIVING IN CHICAGO...

He'd hang out at Sidetrack and volunteer with the Chicago Gay Men's Chorus.

### BOTTOMS UP

In the 1939 version of *The Hunchback of Notre Dame*, when Quasimodo is crowned King of Fools during a festival, the crowd "salutes" him by turning their backs to him, bending over and pointing their asses at him.

### SPEAKING OF QUASIMODO, IF HE WERE GAY AND LIVING IN CHICAGO...

Being Catholic, he'd be a member of Dignity/Chicago, but being Quasimodo, he'd also be a regular at Little Jim's.

### BEYOND LITTLE JIM'S

Imagine what he'd look like if Quasimodo was Trulymodo.

### WOULD THAT MAKE HIM A KAMIQUAZE?

The *Hunchback's* name sounds more Japanese than French to me.

### IF THEY RE-MADE CLASSIC MONSTERS MOVIES AND GAVE THEM A GAY TWIST...

The *Bride Of Frankenstein* would become *The Life-Partner of Frankenstein*.

### IF THE FRANKENSTEIN MONSTER WERE GAY AND LIVING IN CHICAGO...

Since he dresses in black, wears big, heavy black boots, gets strapped to tables and flogged with a whip, the Monster would volunteer at the Leather Archives & Museum, and hang out at the Chicago Eagle.

### THE WOLF DIVA

The Wolf Man is a high-maintenance drama queen who spends most of his time whining about how terrible his life is.

### IF THE WOLF MAN WERE GAY AND LIVING IN CHICAGO...

He'd be a Log Cabin Republican (see above), and hang out at Touché on bear night, even though he'd probably be considered more of an otter since he isn't all that heavy.

### A STUPID HALLOWEEN JOKE I JUST THOUGHT OF

Which movie monster does PETA hate the most? The Wolf Man, because they don't want anyone to werewolf.

### IF THEY RE-MADE CLASSIC MONSTERS MOVIES WITH A GAY TWIST...

Dracula would become Dragula.

### EVERYONE SAW THROUGH HIS PLANS FOR WORLD DOMINATION

In *The Invisible Man*, as Claude Rains' character gets increasingly irrational and goes on and on about how he will rule the world because of his invisibility, it's hard to take him too seriously because in the scenes where he's completely unseen he's not only invisible, but also completely naked.

### IT WOULD BE HARD TO FOLLOW THOSE BOUNCING BALLS

In *Abbott and Costello Meet the Invisible Man*, when the invisi-guy first becomes transparent and takes his clothes off, we discover that he wasn't wearing any underwear.

### IF THE INVISIBLE MAN WERE GAY AND LIVING IN CHICAGO...

Given his fondness for walking around naked, he'd hang out at Man's Country and Steamworks.

### IF THEY RE-MADE CLASSIC MONSTERS MOVIES AND GAVE THEM A GAY TWIST...

The *Creature From The Black Lagoon* would become *The Troll From Hollywood Beach*.

### IF THE CREATURE FROM THE BLACK LAGOON WERE GAY AND LIVING IN CHICAGO...

He'd be a member of the Smelts, and hang out at the aforementioned Hollywood Beach.

### IF THE GOLEM WERE GAY AND LIVING IN CHICAGO...

He'd be a member of Congregation Or Chadash, and (given that I often find Jewish guys very attractive) I'd probably think he was hot.

### IF THEY RE-MADE CLASSIC MONSTERS MOVIES AND GAVE THEM A GAY TWIST...

The *Cabinet of Dr. Caligari* would become *The Cabaret of Dr. Caligari*.

If you're a SWJGM who knows who the Golem is, are in your late 30s to early 50s, and look even remotely like Jake Gyllenhaal, Dustin Hoffman, or even Steve Gutenberg (but NOT like Sacha Baron Cohen, Jerry Springer, or Marty Feldman), e-mail me at PretzelLogicDave@aol.com.

# INTERVIEW

with a vampire

by Anton Brennan

Last Halloween, David Moretti was another struggling young actor in Hollywood trying to figure out how he was going to pay his next month's rent. This Halloween, he is traveling the country on a promotional tour, hawking the newly released DVD of season 1 of his TV show, *The Lair* and hyping season two.

## How does Chicago compare with all of the other cities you are visiting on your promotional tour for *The Lair*?

So far, it's the only other city I've been to in America that I believe I could actually live in. I had no idea the city was so water-centric. It's such a great balance to the metropolis. Plus, Chicago has seasons, and it's clean!

## What are some of your favorite spots?

Well I haven't gotten to explore too much because when I'm here, I'm here on business. But I did get to check out Sidetrack and Roscoe's. I like being able to walk to restaurants and bars from the little bed and breakfast we're staying at. It's so nice not having to get in a car! You can't walk anywhere in LA.

## Do you have a hard time walking around Boys Town? Are you recognized?

Yeah, but I love it. It's great to be able to talk to fans in person. And everyone is so nice. A lot of guys have commented on how they really appreciated me having the balls to come out publicly at this point in my career. That's what makes me feel the best. Yeah, it's flattering to have them tell you they like your acting, and they think you're cute... but when someone tells me I've personally affected them, that makes me feel awesome.

## What kind of fun and outrageous offers have you received from fans?

There was one guy who confused me with a porn star and asked me for a full frontal autographed photo. And he was willing to pay me for it! He went on and on about how he was happy I was entering into the real acting world. I felt kinda bad to have to let him down by telling him I had no porn history, but I couldn't let him go on believing that. So I'm like, "that's not me bro, but I can send a headshot!" And I did.

## Halloween is coming up. What are your plans?

In Los Angeles, the only option is to go to Santa Monica Boulevard. Every man, woman, child and tranny shows up on

the streets of West Hollywood to party like rock stars. It's an amazing time.

## Will you be dressing up this year?

Hell yeah! But I haven't figured out my costume yet. I got a lot of Superman comparisons after last month's spread in *The Advocate* so maybe I'll go for the Clark Kent thing. Suit and a superman shirt underneath? I'll have to allow my boyfriend to play dress up with me.

## Little David Moretti must have looked adorable in his Halloween costumes.

One year I was a hick mechanic. I wore a mullet, trucker hat, and overalls with nothing else. That went over pretty well! And I never wrestled in high school, so one year I ordered a singlet and headgear and dressed the part. Oh wait, that was last year!

## What was your favorite candy growing up?

There was this candy bar called Whatchamacallit. I don't even remember what it tasted like, but I liked saying the name so much, I forced myself to love it.

## Did you watch "It's the Great Pumpkin, Charlie Brown" and all the other Halloween cartoon specials?

No, I watched the marathons of Freddy or Jason. I was obsessed with the gory monster-killer movies. I would dress up in the hockey mask and the Freddy glove. The funny thing is I would literally scare the shit out of myself and have to sleep with the door open.

## You were a fan of Freddy and Jason? So working with vampires everyday is not so much of a stretch for you.

No, I guess not. Now, everyday is like Halloween for me. I guess that's why I still sleep with the door open.

David Moretti stars on Here-TV's *The Lair*. Season 1 is available on DVD now. Season 2 begins airing in Winter 08. Visit David Moretti on the web at [www.myspace.com/davidmoretti](http://www.myspace.com/davidmoretti).

# Drawing The Line on Gossip

Gossip. Who doesn't love hearing a juicy tidbit about a bar acquaintance? Of course, repeating the gossip is even more fun, right? But when does gossip cross the line? When does gossip stop being gossip and become invasion of privacy? I believe I have the answer to this question.

My name is Monique Marquette and I am not only an entertainer, I am an entertainer living with HIV. How this relates to the subject at hand is simple. I have recently discovered that my status has become the subject of bar talk and I began to wonder about who has the right to discuss my HIV status. I then started to wonder who has the right to discuss ANYONE'S HIV status. Where does gossip about health status turn into invasion of privacy and who has the right to this private matter?

Those living with HIV are amazing! I say this not only because I happen to be one of those people, but because it's true. Aside from the physical effects, those with HIV deal with a lot of mental anguish. We deal with the scrutiny from those who do not have the disease and those who do not have any knowledge about it. We have to come to terms with the fact that we have the disease, that we need to take incredible care of ourselves, that we need to educate those who need educating, and a whole sum of other issues that come with this. While it is not a death sentence, it is not an easy road for anyone.

With that said, I have openly told you my status. What gives anyone else the right to discuss my status? A doctor legally cannot disclose my health to the general public and he has all my medical history. Yet an acquaintance at a bar has the right to openly tell people that I'm HIV?

There are consequences that you may not have thought about when discussing HIV status. If the information gets to the wrong person, it may destroy someone's life. What if an employer finds out this information? While they cannot fire someone for any health reason, there have been cases in which the employer finds out that an employee is HIV+ and creates false offenses just as a means to fire that employee. We like to think that in 2007 people have become more educated and open-minded, but unfortunately not everyone is. It's sad, but it's true.

Another possibility is that discussion of someone's status could get back to a family member. While my family knows about my status, another person's family may not. This information, if discovered, could be devastating to a family and could tear a family apart. When we are ready, we tell our families. We do not need our families finding out through the grapevine. Like I said, finding out from the HIV+ person directly is bad enough, but to hear it through gossip is devastating.

I'm sure I didn't say everything that needed to be said, but remember there is a line that shouldn't be crossed when you gossip. Whether you're a Fortune 500 CEO or a coat check girl, a person's health status, unless starting a relationship or having sex, is not your business to discuss. I "outed" my status in hopes that I might educate and prevent others living with HIV from going through what I and countless people before me have experienced. Love me or hate me, but let your feelings for me be about me, not my status.

*Love to all,*  
Monique Marquette

## The Love Tangle - A Dateland Mystery: Part Two

My first date with Vanessa was on one of those damp, wind-whipped autumn days that make you yearn for flannel blankets, long naps, and large dogs that have no respect for your personal boundaries.

The date started out badly. When I collected Vanessa at her apartment, she made me wait outside in the rain while she finished a phone call with her brother. When she appeared, she was wearing a headscarf, which gave her a vague resemblance to Edie Beale, the wacky cousin of Jacqueline Onassis. If you're not familiar with the Beales, all you need to know is that they were an aristocratic mother-daughter team who lived in a condemned house with lots of cats and raccoons.

Vanessa also came from a very wealthy family, but they weren't the type to ever let a live raccoon into their home. They were the type to keep every living thing that was not a direct relation locked out of their house. Her enforced friendless childhood might explain Vanessa's social awkwardness and inability to make small talk. The date creaked on fueled only by my manic attempts to keep the conversation alive. Finally, I gave up and we sat in uncomfortable silence while we waited for our

food to arrive. I wondered whether it would be rude to ask the waiter for the bill before he served our entrees.

Then, to fill the gawking silence I suppose, she announced that she had a brain tumor. "That explains the scarf!" I thought with relief. After I registered appropriate surprise and compassion, she explained that it was a benign growth. "Really, it's more of a cyst than a tumor," she said. "And it's on my forehead, not in my brain." Still it would require the services of a brain surgeon, which impressed me greatly. This aroused my long-dormant Florence Nightingale fantasies and I immediately fell in love and vowed to nurse her through her brain crisis.

The next evening I met my friend Robert at the revival of the Orson Wells masterpiece *A Touch of Evil*. Even though it was a cold, dank night, he insisted we meet under the marquee. He explained that it would only intensify the film noir experience if I watched him emerge from the miserable shadows in his elegant trench coat, which flapped menacingly at his ankles as he emerged from the fog.

Once we were settled in the theater, I told him about my infatuation with Vanessa.

"Oh, for God's sake!" he exclaimed. "Haven't you already

put us through enough when you dated that vegetarian? And now a girl with a tumor!"

"It's not a tumor," I said. "It's a cyst."

"Well, that's even worse," he said. "There's at least some romance associated with tumors. Think of Bette Davis in *Dark Victory*. Get out of this now! You are infatuated with the illness, not the woman. Mark my words, your feelings will change once she recovers."

As one of my chief romantic advisors, I usually took Robert's advice. But the heroic fantasy of nursing someone through a scary illness trumped his voice of reason. Still, to hedge my bets, I decided to go out on a date with Lucy, an aggressive attorney, before Vanessa went under the knife.

*This mystery series follows my dating adventures over the course of six months. If you can guess which woman I end up, I'll send you a fabulous prize. Register your guess-and find new clues-at [www.jenniferparello.com](http://www.jenniferparello.com)*

[mrpotatomash.com](http://mrpotatomash.com)

Since after that last site we're playing with food, it seems to be a good time to direct you to point your browser over to MrPotatoMash.com. The artist that runs this site uses brightly colored clay and an eye for caricature to make these pop culture Mr. Potato Heads. All of them are great, but I have to admit I'm partial to the Dr. Zoidberg from Futurama and the Alex de Large from A Clockwork Orange. I'm just surprised he hasn't gotten around to doing a Britney Spuds.

Not only can you learn about Dudeism, but if your so inclined, you can even become an ordained Dudeist Preist in the Church of the Latter Day Dude. You get a certificate, and the right to perform all sorts of religious ceremonies. Just don't start with a Dudeist bris, OK?

## AN CEILING CAT SAYZ, I CAN HAZ LITE? AN LITE WUZ.

[www.lolcatbible.com](http://www.lolcatbible.com)

I keep pledging to drop the lolcat crap and as soon as I do someone comes up with a new and brilliant extension of the meme. This a wiki page to translate the Holy Bible into lolcat kitty-pidgin english. This is the best Bible translation since the Polari one done by the Sisters of Perpetual Indulgence. Maybe this will get me to finally read the Good Book, even if it's just to see where they put the references to monorail cat and "all your base are belong to us."

## Hustle and Cruise by Falcon Video

P: He's got a giant head on his penis.  
 G: His tongue piercing is so sexy.  
 P: You think so? I was just talking about how I think they are passé.  
 G: I even like the piercing over the eyebrow.  
 P: There's an orange ball on the end of it. No thanks.  
 G: The garbage can thrown to the side makes a nice prop.  
 P: The top guy has a normal body, a little bit of a belly but not bad.  
 G: He has an unfortunate birthmark on his ass. Looks like shit.  
 P: Is that a George Bush tattoo?  
 G: Maybe it's Clinton.  
 P: It's like Mount Rushmore on his leg.

P: He just screamed like a girl!  
 G: Well, you would too if you had someone as big as Chad Hunt in you!  
 P: Look at him go.  
 G: He always puts his hands behind his head and thrusts.  
 P: What is this, the porn star workout video? Here's how I do jumping jacks!  
 G: Big watery cum finish.

*Two men meet at a cruisy spot.*

P: Cute couple.  
 G: He's gonna get razor burn on his ass.  
 P: Sweating a lot there.  
 G: He's wearing mascara, all right.  
 P: Good cumshots in this scene.

*Two muscle guys finish this video with a booty call to each other.*

G: Stop with the steroids!  
 P: He's just too chiseled for me.  
 G: OMG, he just rubbed cum in his eye.  
 P: And on the sofa, too.

G: No group sex in this video, just so people know.  
 P: Skip the first and last scene.  
 G: Although there are some very good cumshots in store for the viewer.

**Pubert: Thumbs marginally up the butt.**

**Groeper: Thumbs up the butt.**

*Go to [www.falconvideo.com](http://www.falconvideo.com) if you don't want to get hustled by another video.  
 For past articles hit up [www.windycitymediagroup.com](http://www.windycitymediagroup.com) and type in "pubert."*

### Judging a Porn By Its Cover

**Pubert:** Is this like the movie Hustle and Flow?

**Groeper:** Johnny Castle? Hmm, lots of internet buzz on him.

**P:** Seems a little plastic.

*Two male prostitutes discuss hustling on a local street corner.*

**P:** He's rubbing himself.

**G:** For his client.

**P:** Too trimmed. Maybe it's the HD on your TV.

**G:** I see his pores. Now everyone is going to want HD with their porn.

**P:** This could change the industry! Okay, the movie is dragging on.

**G:** No matter how pretty you are, it's just not interesting to watch.

**P:** Next! Hit fast forward.

**G:** Yeah, not a good opening scene. The cover model should at least have sex.

*Second prostitute finds a date and gets a blowjob in an alley.*

**G:** Know the secret to talking dirty in porn?

**P:** No, tell me.

**G:** Just repeat everything back that you are doing at the time. "Fuck me harder!" " Yeah, take that dick!"

**P:** You are so right. Good tip for the up-and-coming John Holmes.

*The two prostitutes reconvene and notice a new hustler. He is "giving it away for free" and this stirs up trouble. Next, we follow him to the bathroom where he meets a stranger.*

**G:** Holy Larry Craig!

**P:** He just wiggled his hand under the stall. I guess that is sign language for "let's get it on."

**G:** He's hung like a horse.

**P:** The water fountain in the bathroom makes something good to lean on.

**G:** Leave your socks on, guy. The floor is dirty.
