BERLIN
That Guy by Kirk Williamson

Are you ready to laugh? I said, are you ready to LAUGH? Then your funny bone’s gonna get a bunch of attention in the next few weeks in our lovely gay-ass bars.

Comedy never looked so gorgeous as Parlour’s new Comedy Beauty Parlour, every Saturday night in April. There’s stand-up, improv and all the crou-tons you’d expect in your comedy salad. Dressing on the side.

Comedian Eddie Safarty goes all Mental at Side-track on Wed., April 13 to benefit Lambda Legal.

Don’t forget the comedy open mic each Monday at 3160, hosted by the delightfully monikered Thomas Bottoms. Who knows, you may see a certain Nightspots editor sharpening his chops on that very stage. And since there is only one Nightspots editor, I’ll leave it up to you to solve this most difficult riddle.

Speaking of sharp chops, I’ll cut a bitch from the judge’s panel at this year’s Windy City Gay Idol events. I’m just as bitter as ever and ready to give it to ya at each Gay Idol event, including the kickoff night April 6 at The Glenwood and the second prelim Mon., April 11 at The Call. I hope you’ve been practicing. One tip: If you’re a gay man, do not sing Elton John. Too easy.

For more in-depth tips from someone who’s actually worked in the music industry, see Marc “Moose” Moder’s column on page 10.

And for more Moose-y goodness, check him out going to town on a Lucky box of cereal on page 30. He had won it at Big Chick’s St. Patty’s Bear Den. Not quite a pot of gold, but still very nourishing.

Happy 6th anniversary to Gary and the Flesh Hungry Dog Show at Jackhammer. Rock out with your cock securely held in your BVDs Friday, April 8 with The Joans, Patty Elvis, Planet Claire and the comedic stylings of The Puterbaugh Sisters.

Hey, I asked if you were ready to laugh. You’ve been adequately warned. Nightspots hereby absolves itself of any responsibility should you cramp up. During laughter, anyway. And even then.

Last year I had the distinct pleasure of guest judging Windy City Gay Idol. While the talent in Chicago was often better than on TV’s American Idol, I wanted to give some advice as someone who’s been in the industry for over 20 years. (The competition begins with the first event at The Glenwood on Wed., April 6.)

**If you think it’s been done before, don’t do it.** A big mistake is either doing a song so familiar (anything by a diva or from a movie soundtrack) or too obscure, that you find yourself tuning out. I know your mother loves it when you sing The Greatest Love Of All, but we’ve heard it a million times before and many times better, I guarantee.

**And while I’m sure you’re a great songwriter, save that for a record deal.** Let’s keep it familiar. The key is picking that off-kilter song that everyone’s heard, but no one’s done – think less Mariah, and more Pebbles. It should be a Top 40 song or at least a classic. Run it by your mom. If she loves it, we probably won’t.

**Have fun, but not too much fun.** This ain’t Fox TV, but it also isn’t karaoke. While it’s good for a laugh, most of the contestants getting the nerve to sing in front of strangers are serious about what they’re doing, and by you “taking the piss out”, it’s pretty offensive to them, and belittles their shot. If you want to scream your way ironically through a Chumbawumba or Ke$ha track, Bobby Love’s has a night for that. As for the “Rachels” of the competition, we’re listening, you’re good, but you can have some fun too!

**Bring a gang.** In the end, it is a lot like AI in that it can be a popularity contest. Even if you are the best of the night, if Trixie wants to round up 15 of her pals, and you just bring your mom (sorry, I’m really ragging on your mom tonight!), those votes aren’t gonna roll in automatically. And besides, your friends are hot, and I’ll need someone to flirt with!

Come see Moose and other WCMG pals as they judge Windy City Gay Idol starting April 6 at various locales around Chicago. See the ad on the back cover for more details.

JUDGING A PORN BY ITS COVER

Pubert: Dean Monroe is coming to town and guess who is talking to him?

Groeper: Is that a trick question?

P: I am sure there will be a lot Tricks that weekend. It’s IML!

G: I can hardly wait. A “13 man orgy” sounds right up my alley.

P: Or down your chimney.

Six men in a dark-curtained warehouse are in various states of oral pleasure.

G: Not a lot of talking in this one.

P: Or plot, for that matter.

G: But a lot of spitting and choking.

P: That was the loudest slurp I have heard with Dean Monroe sucking Johnny Hazzard.

G: It’s in stereo surround sound.

P: The other couple is playing slip the salami.

G: He’s humping his hand like a hot dog in heat.

P: Now it’s more like slap the salami.

G: I think hide the salami could be coming next.

P: He’s beating his chest like a gorilla.

G: What is that table? It looks like a wagon wheel from Little House on the Prairie.

P: He better watch out for splinters with his naked body spread eagle on it.

G: They could have at least thrown down a saddle blanket.

P: Couple number three has the sloppiest ass licker ever.

G: And talk about props—they are on a creaky couch.

P: They are all licking asses now.

G: It’s like synchronized swimming.

P: Well, look what the cat o’ nine tails dragged in. Mathew Rush just walked up!

G: And he’s bald as the day he was born and wearing a jockstrap.

P: I bet he was born wearing that jockstrap.

G: Some people are just “Born This Way.”

P: Goo goo gaga, very funny ...

G: Of course Matt is heading over to the big name celebrity pros Johnny and Dean.

P: Literally a starfucker!

G: Now Dean has his hands and mouth full.

P: The only one getting fucked so far is the guy on the wagon wheel.

G: Is he the “Frat Boy?”

P: He sounds like he’s from Michigan. They could have called this Blue Collar Fuck Down instead.

The Alpha Alpha Omega frat brothers enter with a new pledge.

G: Hilarious, the porn crew says, “Give him to us!”

P: It’s like blindfolded fresh meat off the bone.

G: This could be an MTV series!

P: This is old school meeting new recruits.

G: The video got a lot hotter bringing in some new blood.

P: The kid barely gets to breathe between blowjobs.

G: He sounds like he’s choking to death!

P: Or might lose his lunch.

G: The frat brother’s faces are priceless.

P: Dean’s accent is so precious. “Chew the foreskin” with a British flare.

G: “Poppycock!”

P: They all have a different style of swordplay in the guy’s mouth.

G: Some are big, some are little. Short, tall, porn’s got room for all!

P: The twinks are joining in.

G: These are the amateurs learning from the master.

P: Teach me Obi-Wan Kenobi ... and use the force.

G: I see lots of light sabers but if Yoda shows up I am out of here!

P: The new kids on the block have a few tricks too.

G: OMG someone just exclaimed, “It’s mystery meat as he shoved it down frat boys froat.”

P: His throat, you mean ...

G: Yes, I had a frog in my froat.

P: This is a college mixer that I wish I had when I was in school.

G: Hats off to Chi Chi who continues to give fresh ideas to something that could have gone stale.

Pubert: Thumbs up the butt.

Groeper: Thumbs up the last hour of the film.

To get up on the Fuck Down visit http://www.c1r.com for ordering and information.
